### **IMPORTANT INFO ABOUT CREDIT RECOVERY:**

Students requesting a course for credit recovery must have a final grade of 50-59. Credit Recovery DOES NOT replace a failing grade. Upon successful completion of a credit recovery course a student earns credit and a “P” for the course. If counselor approval is granted before final grades are available (as in the summer registration period), it is the **STUDENT’S RESPONSIBILITY** to verify they are enrolled in the correct VSC class once final grades are posted.

If you encounter any problems with your VSC course, you should contact your VSC instructor or the VSC itself. RBHS school counselors are not affiliated with the VSC and cannot answer specific questions. The following contact information has been provided by the VSC: **VSC phone:** 803-734-8039 **VSC email:** [virtualsc@ed.sc.gov](mailto:virtualsc@ed.sc.gov).
